**BUSINESS OF THE WEEK**

In the run up to Christmas Ring of Kerry Quality Lamb are selling lamb hampers which contain either 1/2 or full lambs and are garnished with mint sauce and some vegetables and herbs. These will make an ideal Christmas gift or corporate gift for friends / customers. The hampers can be delivered anywhere in the 32 counties and are sent in a special chill box which will keep them cool for 48 hours.

**RING OF KERRY QUALITY LAMB GROUP**

Kerry lamb has a Nationwide reputation for succulent and well rounded flavour. The locally bred product is sought throughout the country and the Ring of Kerry Quality Lamb Group is at the forefront of quality supply. The Ring of Kerry Quality Lamb Group is an initiative being undertaken by 25 Kerry sheep farmers who are marketing their lambs directly to households, restaurants and hotels. The group has two product offerings: Mid season (French lamb) (average 19kg carcass) and Heather / Hill Lamb (average 13kg carcass).

Members retain ownership of their lamb from the day it is born right through until it is delivered directly to the doorstep of the customer. This enables the group to control all aspects of the supply chain and guarantee the consumers a good taste experience.

What makes their products unique?

Our production systems ensure that lamb taint is eliminated.

- All lamb is dry matured for seven days ensuring tenderness and flavour
- Product is fully traceable from farm to fork
- Lambs are cut to the customers specification.
- All lambs are vac packed using special packaging which reduces the risk of puncturing and freezer burn
- All product is delivered directly to the customers door.
- All lambs come with recipes to help our customers make the most of their purchase.
